ASDA SEDATION REENDORSEMENT PROGRAM

Location: Pandanas Room

Times: 28 May: 7.45-8.15am Registration, 8.15am – 5pm: Course

29 May: 8am – 5.30pm: Course

Presenters: Dr Ken Harrison, Dr Ann Marie McCallum.

CPD: 14 Scientific Hours

This is ASDA's AHPRA/DBA accredited training for the annual re-endorsement of conscious sedation practitioners. It is also excellent for dentists performing procedures on sedated patients and their assistants. You must complete both days of this course for reendorsement.

Program

After missing out on reendorsement due to the pandemic in 2020, this year we will be focussed on revision and lots of practical scenarios, to shake out the cobwebs and build your confidence in a medical emergency.

With the use of QCPR CPR trainers, ALS man and SIMMAN 3G there will be a variety of skills based training and scenario practice over the two days.

Practical, simulation-based training in the management of medical emergencies during dental sedation, using crisis resource management principles.
